## The 9<sup>th</sup> Annual CIDSO Buddy Walk

CIDSO's 9<sup>th</sup> Annual Buddy Walk will be held Saturday, September 28, 2013 at Carden Park and Prairieland Elementary School located at 1300 Raab Road in Normal. Registration will begin at 9:00 with the walk kicking off at 10:30.

The Buddy Walk was developed by the National Down Syndrome Society in 1995 to celebrate Down Syndrome Awareness Month in October and to promote acceptance and inclusion of people with Down syndrome. The Buddy Walk has grown from 17 walks in 1995 to nearly 300 walks planned for 2013 worldwide. In 2012, more the \$11.5 million was raised nationwide to benefit local programs and services, as well as the national advocacy and public awareness initiatives of NDSS that benefit all individuals with Down syndrome.

People with Down syndrome and their families are encouraged to invite "buddies" to join them in the one mile walk at Carden Park. Food, games, entertainment, and a raffle drawing will be part of the fun! Put together a team to walk with you and ask your family, friends, neighbors, and co-workers to sponsor you by pledging a donation to help support CIDSO programs. Ninety percent of the funds raised will remain in the local area while the remaining money will be used by the NDSS for national programs and awareness.

Registration is \$5 per person; children age 5 and under are free. Shirts are also available for \$5 and can be ordered while completing online registration before September 6<sup>th</sup> or purchased at the event. Online registration is at: [www.firstgiving.com/cidso/2013BW](http://www.firstgiving.com/cidso/2013BW). This site can also be used to coordinate teams and gather donations.

The walk will again feature a \$1 raffle. If you would like to donate a basket or basket items for the raffle please contact Brenda Harms at [jekkel1@msn.com](mailto:jekkel1@msn.com). Donations are greatly appreciated!

Join the close to 800 participants that turn out for our local event. By participating in the Buddy Walk you help us take steps to a brighter tomorrow.

## Schools Must Pay for Special Education Evaluations, Court Rules

By Shawn Heasley, Disability Scoop

School districts should reimburse parents for independent educational evaluations of students with disabilities, at least in some cases, a federal court is affirming.

Though the US Department of Education has long indicated that parents have the right to an independent opinion at public expense under certain circumstances, the Jefferson County Board of Education in Alabama challenged the rule. The school district declined to reimburse parents named in court papers as Philip and Angie C. after they sought an outside evaluation when they disagreed with the district's assessment of their child.

The Jefferson County Schools argued that paying for parent-solicited evaluations goes beyond the scope of the Individuals with Disabilities Education Act because the long-standing federal law does not specifically mandate it. But a three-judge panel of the US Court of Appeals for the 11th Circuit found "no Merit" to the school district's argument.

"The regulations at issue here is valid so long as public financing of a parent's IEP is consistent with the intent of Congress in enacting IDEA," the judges wrote in their opinion.

The court ruling notes that federal lawmakers have reauthorized the IDEA numerous times without taking away the right to a taxpayer-financed independent evaluation, which the Education Department implemented in the early days of the IDEA.

## About Our Organization

The Central Illinois Down Syndrome Organization (CIDSO) is a not-for-profit organization of families and interested persons working to increase public awareness, support families, and improve opportunities for those touched by Down syndrome. Established in 1974 to act as a support service, we serve Bloomington, Normal, and the McLean County area. Our organization is the oldest Down syndrome parent group in Illinois and the second oldest in the nation.

## New Parent Outreach

The process of acceptance begins as soon as Down syndrome is suspected. To support parents and extended family during this time, a parent outreach member will gladly make hospital or home visits. Informational packets are also available to new parents. Parent Outreach Members, *Brenda & Kevin Harms*, (309) 378-2388 and *Rick & Jennifer Bauersfeld*, (309) 874-2038, can be contacted any time.

## Enrichment/Participation Fund

This fund is designed to enrich the lives of those born with Down syndrome and promote community involvement/participation. It is available to any person with Down syndrome regardless of involvement/participation in CIDSO.
